

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

August 16, 2016

REWARD EXTENSION AND INCREASE

On or about May 31, 2015, 28-year-old *Monique Figueroa* went missing under suspicious circumstances. Monique left behind a 2-year-old daughter. Her vehicle was found abandoned in the Juniper Hills area with evidence of foul play. Investigators have spoken to everyone possible that she had contact with. They have checked cell phone records and bank records with no activity. Investigators have exhausted all leads and clues that they have received and are currently handling this case as a homicide.

The \$10,000 reward previously approved by the Board, is due to expire on August 28, 2016.

I, THEREFORE, MOVE that the Board of Supervisors extend and increase the \$10,000 reward to \$20,000 for information leading to the arrest and/or conviction of the person(s) of this heinous crime.
